

## **CASE STUDY PREPARATORY MEETING METHODOLOGY - 1st Meeting**

The meeting has to be carried out following as much as possible an interactive methodology, involving the participants in a mutual learning discussion, more than a one-way lesson. View of promotional existing video clips could be considered, compatibly with language issues (i.e. LIFE Platform video)

### **Project introduction**

- (Ppt presentation if appropriate), leaflet
- The project objectives
- Methodology
- General activities (the 4 phases)
